Fourth Graders Experience **CAMP CONFIDENCE**

Second Graders Encounter **ITASCA STATE PARK**

549 Family grants keep hands-on field trips alive in Perham-Dent! How better to learn the science of the seasons or the history of the Mississippi headwaters than to show them, let them marvel at the beauty and have them imagine the early explorers crossing this great state. Several classroom subjects and projects expanded on the themes of these great trips. Ask any 4th or 2nd grader what they learned on their trips.

A **HUGE** thank you to our 2006-2007 members for supporting the Perham-Dent kids through 549 Family!
